

News media query database for VA's Office of Media Relations

Project Title	News media query database for VA's Office of Media Relations
Project Summary	Build a user-friendly database for the Department of Veterans Affairs' Office of Media Relations (OMR), which would allow us to store, edit and import news media contacts.
Country	United States
Agency	Veterans Affairs Department
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	3

Project Description

The project will involve building a user-friendly news media contact database; perhaps using SharePoint or Access? Additionally, the candidate/s will also provide support for a VA open-data platform project.
